Cabale

Design: Lise & Hans Isbrand

Cabale

Cabale

A modern new collection of desks and meeting tables, combining classic & timeless design with today's trend. Cabale is available to order with solid wooden legs and more than 100 colors, competitively priced.

Cabale is originally designed in 1996 by Lise & Hans Isbrand, and is now reintroduced by Holmrís Office with a modern look that is reflective of 2015. The collection consists of desks, training tables, canteen, meeting- and conference tables, contributing to an active environment in your company.

About the collection, by Isbrand Design:

"The best idea, is rarely the most obvious, but once realized, it's naturally becomes the most obvious"
